

Daryl Graves

Board Member Since 2008

Brother's Park is my favorite Park in the Sycamore Park System. Brother's Park has a lot of meaning to me, because of the history of the park. Brother's Park was named after two brothers who were afflicted with a disease call Leukodystrophy. The two brother's spent a lot of time playing in the park and after their death's, the park was renamed and renovated, in which I had a hand in helping this process.

I lived next to the family and got to know them very well, after the park was renovated this inspired me to get involved in the Park District as a Commissioner. To actually see a family who was so elated to have this park dedicated to their sons, is the reason I have a passion for the Sycamore Park District. My goals are to make a difference in lives of the residents of Sycamore through the Sycamore Park District.
